

ANGELS IN THE LIFE OF JESUS FROM CONCEPTION TO ASCENSION

Did you ever notice how often Angels were present at significant moments in Jesus' life?

Are you aware that Angels were important messengers surrounding the birth, life and resurrection of Jesus?

Has it ever occurred to you that Angels were a spiritual support for Jesus in time of struggle?

The Scriptures reveal many key moments when Angels were spiritual companions for Jesus including at his conception and his birth, assisting Jesus during his temptations at his agony in the garden, and appearing at his resurrection and ascension. During this program we will prayerfully ponder these spiritual experiences and learn ways to invite Angels into our lives.
